Letter No.2322 dated th from the Conservator of Forests in Mysore reporting on the working of the scheme for the settlement of Mahratta Kumbi families in the Nagar Taluk.

(Here print the letter and enclosures)

Order thereon No. R 3244-7 | 7-12-9-10-12

Dated Bangalore 11 December 1912.

Since the introduction of the scheme sanctioned in G.O.No. 4961-6/Ft 171-06-6 dated the 7th February 1908, it is reported that 90 families consisting of 301 working hands and 172 children have settled down in the Nagar and Anavatti Hobblies, in the Ghaut region of the Nagar Taluk., and have taken up 304 acres of wet land. An area of 119 acres of land has been granted for kumri cultivation and the experiment has cost in all Rs.1579/-. It is also stated that the benefits of these concessions are being more and more appreciated by the Kumbies and other wandering people and that there is a strong movement amongst them to adopt a settled life under the favourable conditions introduced by the scheme.

2. With a view to continue the experiment and to induce a larger number of people to settle themselves, the Conservator of Forests recommends that a grant of Rs.5000/- per annum be made for a period of three years commencing from the current year. Government are pleased to accept the recommendation. The amount required for this purpose this year will be treated as an additional grant. The Conservator of Forests is requested to provide a similar sum in the next two year's budget.

3. To cope with the increase of work and responsibility that the expansion of the scheme is likely to bring about, and to infuse courage in the minds of the settlers, Government are also pleased to approve of the suggestion of the Conservator to depute a Forester on Rs 25/- solely to look after the work of the settlement for a period of three years. During the period he is on duty, the Forester will draw a fixed travelling allowance of Rs 15/- per mensem.

4. Sanction is also accorded to an expenditure of Rs 50/- from the Forest Funds for the purpose of erecting a temple for the use of the settlers.

5. Orders have already been passed in G.O. No. 24-F&W, dated 14-1-19 dated 14th January 1919 that during the period during which the Forest Grant is in force the new settlers shall be held rent free, for a period of three years and also subsequently the scope of the concessions granted under the scheme to other indigent persons who are willing to take up lands.

6. The Conservator of Forests is requested to submit a detailed report on the progress of the scheme in the month of July every year.

By order,

Under-Secretary to Government.

To,

The Conservator of Forests in Salem.
The Revenue Commissioner in Coimbatore.
The Controller, Secretariat (this branch).
The Deputy Commissioner, Nilgiris District.
